Beccy Clennan joined the title industry in July 2004 as a closing and escrow officer. In November of the same year, she became licensed as a Michigan Resident Producer. Since that time, she has held many positions within the title agency, including team lead on Residential and Commercial title and escrow, regional management, customer development and operations / workflow development, and most currently managing Commercial Title and Escrow. Beccy has conducted many educational training events for Central Michigan Association of Realtors, Michigan Land Title Association and local Realtor / Lender offices. She is a member of the Central Michigan Association of Realtors where she is the Membership Committee Chairperson and former member of Education Committee; member of the Michigan Land Title Association, and the Membership Committee Chairperson, is highly active with her church and has been on multiple mission trips, and has been a member of Clare Gladwin Association of Realtors. Beccy has been presented with the Highest Award For Achievement Dale Carnegie Training Course. Her current employer, Corporate Settlement Solutions, has received the Circle of Excellence from Fidelity Title Insurance Company four times in the past 5 years.
