

Adrian Brown, AAP, APRP, Manager of Payments Consulting & Compliance for The Clearing House Payments Authority (TCHPA), has more than 30 years of experience in the financial services industry and over 15 years conducting ACH audits and consulting services for financial institutions and companies.

Adrian has held positions in senior management at both a commercial bank and a Payments Association. His experience includes operations, customer service, electronic payments and e-commerce. Having earned both the Accredited ACH Professional (AAP) certification and the Accredited Payments Risk Professional (APRP) certification, Adrian conducts ACH audits, risk assessments and professional consulting engagements.

Adrian speaks about electronic payments and related topics at trade and industry association meetings and conferences throughout the state of Michigan and nationally. Adrian has served on various payment committees and panels.
